

Service Options

Lifeline Basic Communicator

Enjoy Victoria Lifeline Medical Alert Service with your existing telephone

Combine the Lifeline Basic Communicator with a personal help button and your existing phone, and then you can enjoy unparalleled peace of mind:

- Provides a simple solution with the least amount of change
- The unit is small and fits easily into most home settings and decor
- Compatibility with our new [AutoAlert pendant](#)
- A back-up battery continues to provide Lifeline service in the event of a power outage for a minimum of 15 hours*

* Requires working phone service

Personal Help Button Options:

NEW Lifeline with AutoAlert
Pendant Personal Help Button
Wriststrap Personal Help Button

Other Communicator Options:

Cordless Phone
